EVERLASTING FLOWERS

GARDEN FLOWERS GROWN, PICKED & DRIED
NATURALLY FOR YOU TO ENJOY ALWAYS.

Freshly Dried Flowers

We dry our garden flowers so you can enjoy their beauty all year round. The timeless and ethereal quality of flowers dried naturally brings garden magic whatever the season.

Dried flower bouquets and arrangements make an elegant statement for your home or a special occasion.

Our 2019 everlasting flower range includes flowers, seed heads and grasses. We'll be drying foliage and a wider range of flowers this coming season.

I've teamed up with Kea Weeks of CloudNine Flowers from Tauranga to bring you dried poppies and grasses that have proved so popular that we're already run out of Pickery poppies!

To order your dried flowers complete the order form available on the website and email julie@thepickery.co.nz.

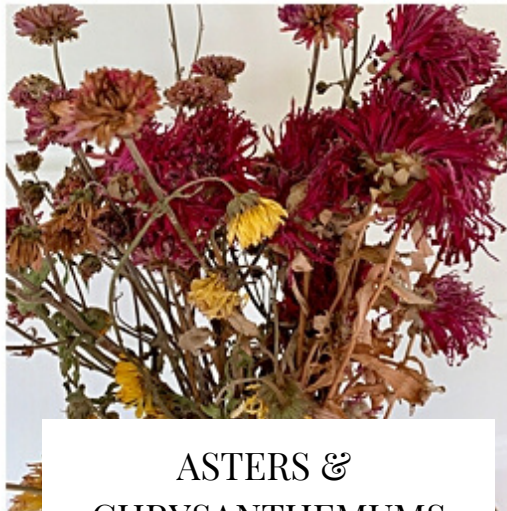

The photographs show some of the dried flowers we have in stock. Please refer to the stock list / order form for full details and prices.

Can't wait to see all the amazing creations from our flowers.
